

FANTASY FOOTBALL

1995 SEASON

NICODEMUS 96ers

TEAM OWNER: SCOTT ANDERSON

**COMMISSIONER: SCOTT ANDERSON
216-626-4359**

OFFICIAL RULES

COMMISSIONER: **SCOTT ANDERSON** 626-4359

'Tis the season you've been *fantasizing* about - the Tribe in the World Series, the Browns in the Super Bowl and your team in the Fantasy Bowl! It can happen, but you have to do your part - here's how:

1. Study these rules. Questions and clarifications will be addressed on draft day. During the season, *amendments* to rules require unanimous vote of team owners. *Additions and clarifications* to rules are made at the Commissioner's discretion. During the offseason, rules may be amended or added by the Commissioner, to be agreed upon with majority vote of team owners the following year.
2. Prepare for draft day. Study NFL players/teams and gather literature/notes to bring on draft day. "The Cheat Sheet" and NFL schedules will be provided.
3. Decide on your team name. The conventional geographic location and mascot name is a guideline, but not required. Be clever, but clean.
4. Show up for draft day on time. No show, no team (beginning 1996). "Genuine Draught" day party commences on Sun. 08/13/95 at 4:00pm in Scott & Jana's condo in Streetsboro. Better halves are welcome. Beer and food for all!
5. Bring your \$80 franchise fee on draft day. No money, no team. The league was stiffed last year by a few teams - this will not be tolerated! If you cannot pay the \$80 fee on draft day, notify Commissioner beforehand to discuss your situation. Make checks payable to Scott Anderson.
6. Determine your protected player, if any. For incumbent FFL owners, decide if you want to protect/retain one player from your last year's team. Your protected player would essentially be your 1st round pick - you begin drafting in the 2nd round. Protecting no player would allow you to draft in the first round. Do not disclose your protected player decision until draft day!
7. Understand draft day rules.
 - a. 16 teams from 4 divisions will draft 13 players each.
 - b. Team draft order will be randomly drawn on draft day.
 - c. Round draft order will be:

1st pick thru 16th pick for rounds 1, 4, 5, 8, 9, 12, 13
16th pick thru 1st pick for rounds 2, 3, 6, 7, 10, 11.
 - d. Each draft pick must be announced before timer reaches 0:00.

Round 1 = 5:00 min, Round 2 = 4:00 min, Round 3 = 3:00 min,
Rounds 4 thru 13 = 2:00 min each.

OFFICIAL RULES

8. Participate in weekly regular season play.

- a. FFL regular season will encompass the first 13 weeks of the NFL season - week #1 begins Sun. 09/03/95, week #13 ends Mon. 11/27/95.
- b. Each week, your team plays one other team in head-to-head competition - most FFL points scored wins the game. Equal scores will count as a tie (no tie-breakers).
- c. You will play each team in your division once. You will also play most of the remaining teams once. There will be only 2 teams you do not play in the regular season.
- d. Each week you select your starting team of 8 players:
- 1 QB, 2 RB, 2 WR, 1 TE, 1 K, 1 DE
- You must submit your starting lineup to Commissioner by kickoff of the first game of the week (sometimes Thur. or Sat.). If no lineup is submitted, your starters from the previous week will be assumed.
- e. The team selected as your Defense is also your Special teams selection. Their scoring is combined.
- f. Points are scored as follows:

Touchdown pass	4 pts
Touchdown run, return, recovery	6 pts
Touchdown catch	6 pts
2-pt conversion pass	1 pt
2-pt conversion run, recovery	2 pts
2-pt conversion catch	2 pts
Field goal (1-49 yds)	3 pts
Field goal (50+ yds)	5 pts
Extra point kick	1 pt
300+ yards passing	2 pts
100+ yards rushing	2 pts
100+ yards receiving	2 pts
Safety	2 pts
Shutout	6 pts
No defensive touchdowns allowed	2 pts

- g. Weekly scores, standings, transactions and rosters will be mailed on Wed. You should receive these reports by Fri.

OFFICIAL RULES

9. Improve your team throughout the season. Continually monitor your FFL team's players', other FFL team's players' and FFL free agents' performances. Post-draft roster changes are allowed and encouraged!

- a. "Trade" players. You may "trade" your player(s) with another team's player(s). **Both** owners must contact Commissioner to verify the deal before traded players can start for their new teams. If foul-play is suspected (i.e. moves detrimental to high integrity of the league), Commissioner may deny the trade and/or call for an owner majority vote to allow or disallow the trade. Trades are \$2 per player per team. Trade deadline is 11/13/95 at 11:59:59pm.
- b. "Pickup" free agents. You may drop an active player on your roster to "pickup" a free agent (player not on an FFL roster - active or taxed). Pickups are \$2 per player, drops are no charge. Pickups are permitted until you are out of the playoffs.
- c. "Taxi" free agents. You may temporarily "taxi" a free agent onto your roster for the week's play without altering your active roster. The taxed player becomes a free agent after the Mon. night game (unless owner has committed to re-taxi the player). Taxis are \$2 per player. Taxis are permitted until you are out of the playoffs.
- d. Each team's transaction charges are accumulated and recorded into the league "kitty". These charges will come due at Commissioner's discretion. Again, a few teams last year did not pay their transaction fees - let's work to correct this problem.

10. Determine your post-season status.

- a. Division winner. The 4 teams with the best win/loss records in their respective divisions are division winners. Winning criteria and tiebreakers are:
 - 1) number of wins
 - 2) winning percentage (tie = 0.5 win)
 - 3) total points
 - 4) head-to-head competition
 - 5) highest point total one game
- b. Fantasy Bowl playoffs. The 8 teams with the best 8 win/loss records (seeding based on above) will play for the Fantasy Bowl Championship. This will be a single-elimination playoff tournament, **winner**s advance (tie-breakers same as above). Quarter-finals will be played week #14, semi-finals played week #15, Fantasy Bowl played week #16.

OFFICIAL RULES

10. c. Toilet Bowl playoffs. The 8 teams with the worst 8 win/loss records (seeding based on above) will play for the Toilet Bowl Crappership. This will be a single-elimination playoff tournament, **losers** advance (tie-breakers same as above, on losing side). Quarter-finals will be played week #14, semi-finals played week #15, Toilet Bowl played week #16. Penalty for becoming Toilet Crapper will be discussed on draft day.

d. Money winners. Payouts will be distributed at the "Secondary Super Bowl" party on Super Bowl Sunday.

11. Attend all FFL functions and parties. Frequent, spontaneous gatherings of FFL owners is strongly encouraged throughout the season. Four "official" parties have been budgeted and tentatively scheduled.

"Genuine Draught"	Draft day	Sun. 08/13/95
"Swap Meet"	Week #6	Sun. 10/08/95
"Prayoff for Playoff"	Week #13	Sun. 11/26/95
"Secondary Super Bowl"	Super Sunday	Sun. 01/28/96

12. Stay in contact with your Commissioner. For his efforts, Scott's franchise fee will be waived. Be respectful of Scott's family when calling his home (626-4359 evenings/weekends) with your starting lineups, trades, questions, etc. Leave a message on the answering machine if no one is home. When calling Scott's work (543-1615 weekdays), ask for Scott Anderson's voice mail and leave a message. As a last resort, contact Bob Anderson (678-1874 home, 677-6700 work).

13. Enjoy the NFL season more than you ever have before!

COMMISSIONER'S NOTES:

1. Sorry I was unavailable for 2 weeks in California and my answering machine was "busy" screwing up. A rad thanks goes out to Bob for handling transactions and starting lineups while I was away. By the way, Bob's new phone number at Flytz Gymnastics is 677-6700.
2. This will be the report format for the year. Every week, insert these pages in the back of the blue booklet I distributed at the beginning of the season. Notify me if you need a new booklet.
3. Scoring change for defense - no td's allowed is worth 2 points instead of 4. Shutout is still worth total of 6. This change affected no teams in week #1.

- 2.I need team names. Only 2 have been officially named. Give me your team name with your week #3 starting lineup. Be creative.

COMMISSIONER'S NOTES:

- 1.A weekly bonus has been added - the team with high score for the week receives that week's transactions free. Two teams tied for high score will each receive 50% off, three teams tied 33% off, etc.
- 2.The maximum number of players at each position is no longer restricted (strike rule 7e on page 1).
- 3.I still need team names. The convention of geographical location and mascot name is a guideline, but not required. Keep it clean.

COMMISSIONER'S NOTES:

1. Love the new weekly bonus - Commish's 96ers took week #4 high score. By the way, the bonus was retroactive to week #1 - winners were: week #1 Wideouts/Pounders (tie), week #2 Wideouts, week #3 Volcanoes.
2. Scores are improving for those owners that are working their teams. Keep up the good work!

COMMISSIONER'S NOTES:

- 1.It's party time! The "Swap Meet" will be held Sunday, 10/15/95, 11am til 5pm at Pixie Springs Par 3 Challenge Golf Course in Suffield (2205 Congress Lake Rd, next to Suffield Springs). Golfers will tee off at 11am (you pay \$5 per 9 holes). Beer, soda and food will be supplied. Better halves are welcome. Trade talks are brewing - be prepared to make/take offers. It's been said that lately, more business deals are made on the golf course than in board rooms. We will see.
- 2.Congrats to San Fran 39ers on their first win. The gals are learning this game. Lookout!
- 3.If I don't have all team names by party's end, I will take suggestions from the rest of the league.

COMMISSIONER'S NOTES:

- 1.The "Swap Meet" at Pixie Springs was a blast for those who persevered the wind and cold. Congrats to Dane (low score, closest to pin #7), Terry Jr. (longest drive) and Brice (closest to pin #10) on their golf winnings.
- 2.The race for highest total points has become interesting. The Wideouts (once super-human) have come back down to reality and allowed the pack to catch up.
- 3.Another winning category has been added - highest minimum score for the year yields \$25. I am taking suggestions for additional winning categories.

COMMISSIONER'S NOTES:

- 1.The smooth Yukon Jacks worked a 10 player deal involving 3 teams. Looks like the Jacks are hoping for a multiple payoff - a division win (\$25), a playoff birth (\$25) and most trades (\$25). I'd say there's a big upside to all that hard work.
- 2.I'm working on the details of the Toilet bowl playoffs. Obviously, winnings will not match the Fantasy bowl playoffs, but I will give incentive to win in the Toilet games. I'm open to suggestions on the penalty for becoming the Toilet Bowl Loser.

COMMISSIONER'S NOTES:

1. Model1 sucks. Thank God for Fantasy Football.
2. Sorry last week's reports did not arrive last week. I sent them out Wed., U.S. Snail. Either the mail girl at IMS had it in for me or our infamous governmental agency was living up to its name.
3. The excitement is starting to build! All 4 divisional races are up for grabs. This week, 6 teams battling for divisional crowns play each other. Also, there looks to be 4 playoff spots not yet determined.

COMMISSIONER'S NOTES:

1. This week's overall scoring was impressive! The Master Caretaker was hotly counting his \$25 for the year's high score when the Travelin' Tubber washed it from his fiery fingertips. The Commish can sympathize.
2. Jostens makes a Fantasy Champion ring (similar to a high school ring) personalized with the winning team/coach name, record and year. I have added this award to the growing list of payouts.
3. The trade deadline was last Mon. night at midnight. Seventeen (17) players involving nine (9) teams were traded that night. What a blast! The phone was continuously ringing/calling from 8pm to midnight. It will take me a few days to sort out the new rosters. These last trades will be included in next week's reports.
4. The "Prayoff for Playoff" party will be held Sun. Nov. 26, 1995 at Dane and Joyce Dearlove's home in Stow. This promises to be the best party of the year! Plan to be there. Details will be included in next week's reports.

COMMISSIONER'S NOTES:

- 1.Playoffs are excitement! Congratulations to all quarter-final winners. Collectively, these may have been the closest games of the season. Five games came down to the Mon. night debacle in the Silverdome. Detroit's 49er-like offense vaulted the Pounders into the semis. Chicago's Brown-like performance cost the 96ers and Grays their season. Was that Steve Crosby I saw up in the Bear's booth? Same old story for the Volcanoes - score 2nd highest in the Fantasy bracket and lose (and Commish thought *he* was robbed). Lastly, has Shula Sr. forgotten the game is named football?
- 2.These close games have raised the playoff tie-breaker issue. In the NFL, the playoff team with the best record gets home-field advantage. Likewise in FFL playoff games, the team with the highest seed will be the home team, whose only advantage is winning a tie.
- 3.I need transaction fees to cover payoffs!!!

COMMISSIONER'S NOTES:

- 1.The greatly-anticipated Fantasy Bowl is "ready for a rumble".
 Fittingly, two division winners meet in the championship game.
 The Tropic's blistering Hell's Caretakers will try to overheat
 the cool icemen from the Arctic, the Yukon Jacks. Maybe an
 appropriate divisional team name is the key to FFL success.
- 2.The woefully-dreaded Toilet Bowl is "ready for a tumble". The
 "wait-til-next-year" King Putz team will try to butt-wipe the
 "wish-it-were-last-year" Atomic Skunkmen. Maybe these team names
 destined their fate.
- 3.Is anyone interested in meeting at the Kent Ground Round (Rt. 59)
 Mon. night to root for/against the bowl teams? There are major
 players active Mon. night that can affect both bowl games'
 outcome. Let me know if you are interested.
- 4.Some transaction fees are still not paid. Subtract your winnings
 from your transaction total to determine your final payment
 amount.

COMMISSIONER'S NOTES:

1. And the new Fantasy Champion is...Gary Anderson's Yukon Jacks from the Arctic! What a finish - the Jacks put a late "Yukon Chop" to the Caretakers. Sun. evening at 8pm the Jacks were down 6 - 34. Gary sobered up his 2 main men from the north (Warren/Seattle, Reveiz/Minnesota) who responded with a quart of points (32). The Ground Round gang witnessed the comeback as sweat and smoke protruded from the Master Caretaker while Happy Jack was cooling his emotions with a frosty Killian. Gary's keys for success; 1) use an appropriate team name for the division; 2) relate the team name to drinking; 3) keep the team name short enough to fit on the Fantasy Ring! Congratulations to both Gary and Danny on a terrific season and for displaying perfect sportsmanship during the final game while the rest of us were not.
2. And the first Toilet Crapper is...Mark Tosenberg's Atomic Skunkmen, also from the Arctic. Is this the same owner that won the Fantasy Bowl last year, and 3 other Fantasy titles before that? King Putz was destined to win this game - he started players that actually played. Even a 20 point performance by Steve Young wasn't enough to deny Putz his \$1 and toilet relief. Thanks to both John and Mark for being sports and participating in the inaugural Toilet Bowl.
3. Payment of transaction fees not covered by winnings is due! I've squeezed every dollar out of our budget for prizes, parties, etc. and need all dues paid to cover payouts. Enclosed is the Kitty Transaction list indicating final payment amounts. All negative amounts due will be paid to owners at the Super Bowl party. All positive amounts due must be paid to me by 01/14/96. Beginning 01/15/96, a late fee of \$2 per day will be added to each delinquent account. Any owner unpaid by the 01/28/96 Super Bowl party will not be invited back next year. Sorry, but balanced cash flow is necessary even in Fantasy Football.
4. See you at the "Secondary Super Bowl" party on 01/28/96 Super Bowl Sunday beginning 5pm at Flytz Gymnastics.
