OFFICIAL RULES

COMMISSIONER: **SCOTT ANDERSON** 330-626-4359

The Cleveland Browns are gone (good riddance Models), but the newly named A-Son Fantasy Football League is alive and kicking in Akron. The League has been named in commemoration of its founder and first Commissioner, Robert Alan Anderson. His initiative has allowed us the opportunity to still enjoy football while the Browns are in hiatus. Thanks, Bob.

There are a few changes from last year (noted with **), so carefully review these guidelines to prepare for the 1996 season:

1. **Study these rules.** Questions and clarifications will be addressed on draft day. During the season, amendments to rules require unanimous vote of team owners. Additions and clarifications to rules are made at the Commissioner's discretion. During the offseason, rules may be amended or added by the Commissioner, to be agreed upon with majority vote of team owners the following year.
2. **Prepare for draft day.** Study NFL players/teams and gather literature/notes to bring on draft day. "Cheat Sheets" and NFL schedules will be provided.
3. ****Decide on your team name.** Last year's names will be assumed. You may change your team name on/before draft day. The conventional geographic location and mascot name is a guideline, but not required. Be clever, but clean - with one exception. Last year's Toilet Bowl Loser must incorporate some reference to toilet and/or toilet usage in their name. This name must be agreed to by all other owners.
4. ****Show up for draft day on time.** No show, no team. If you cannot attend the draft personally, you may send a representative to draft for you. The rep cannot be another A-Son league owner. "Genuine Draught" day party commences on Sat 08/31/96 4:00pm at Flytz Gymnastics facility in Kent. Better halves are welcome. Beer and food for all!
5. **Bring your \$80 franchise fee on draft day.** No money, no team. If you cannot pay the \$80 fee on draft day, notify Commissioner beforehand to discuss your situation. Make checks payable to Scott Anderson.
6. ****Understand draft day rules.**
 - a. ****15 teams from 3 divisions will draft 13 players each.**
 - b. ****Each team may keep 1 player from last year's roster. First, team draft order will be randomly drawn. This will be the order used for all rounds as described in 6c. In the next 10 minutes, owners will decide if they will keep a player as their 1st round draft choice, or not keep a player and draft a player in the 1st round. After 10 minutes, keeper decisions will be secretly submitted, then exposed. Draft then begins.**

OFFICIAL RULES

6. c.** Round draft order will be:
 1st pick thru 15th pick for rounds 1, 2, 5, 8, 9, 12, 13
 15th pick thru 1st pick for rounds 3, 4, 6, 7, 10, 11.
- d.Each draft pick must be announced before timer reaches 0:00. Failure to pick in time will result in the loss of that pick. A makeup selection (no charge) will be made after the draft to fill the roster spot.
- ** Rounds 1 thru 3 = 3:00 min each,
 Rounds 4 thru 13 = 2:00 min each.

7.Participate in weekly regular season play.

- a.AFFL regular season encompasses the first 13 weeks of the NFL season. Week #1 begins Sun 9/1/96, week #13 ends Mon 11/25/96.
- b.Each week, your team plays one other team in head-to-head competition - most AFFL points scored wins the game. Equal scores will count as a tie (no tie-breakers).
- c.**You will play each team in your division once. You will also play most of the remaining teams once. There will be only 2 teams you do not play in the regular season. Because of the odd number of teams (15) each team will also play the "dummy" team once. The "dummy" team will always score 25 points.
- d.**Each week you select your starting team of 8 players:
 1 QB, 2 RB, 3 WR, 1 K, 1 DE
- You must submit your starting lineup to the Commissioner by kickoff of the first game of the week (sometimes Thur or Sat). If no lineup is submitted, your starters from the previous week will be assumed.
- e.**Tight ends are optional and considered wide receivers.
- f.The team selected as your Defense is also your Special teams selection. Their scoring is combined.

g.Points are scored as follows:

Touchdown pass	4 pts
Touchdown run, return, recovery	6 pts
Touchdown catch	6 pts
2-pt conversion pass	1 pt
2-pt conversion run, recovery	2 pts
2-pt conversion catch	2 pts
Field goal (1-49 yds)	3 pts
Field goal (50+ yds)	5 pts
Extra point kick	1 pt
300 yards passing	2 pts
** Each 100 yards passing over 300	1 pt
100 yards rushing	2 pts
** Each 50 yards rushing over 100	1 pt
100 yards receiving	2 pts
** Each 50 yards receiving over 100	1 pt
Defensive shutout	4 pts
No defensive touchdowns allowed	2 pts
Defensive safety	2 pts
** Defensive turnover	1 pt

OFFICIAL RULES

7. h. Weekly scores, standings, transactions and rosters will be mailed on Wed. You should receive these reports by Fri. Insert the reports in the back of this blue book to accumulate history on the entire season.
8. Improve your team throughout the season. Continually monitor the performance of your AFFL team's players, other AFFL teams' players and AFFL free agents. Post-draft roster changes are allowed and encouraged!
- a. "Trade" players. You may "trade" your player(s) with another team's player(s). **Both** owners must contact Commissioner to verify the deal before traded players can start for their new teams. If foul-play is suspected (i.e. moves detrimental to high integrity of the league), Commissioner may deny the trade and/or call for an owner majority vote to allow or disallow the trade. Trades are \$2 per obtained player per team. Trade deadline is Mon 11/11/96 at 11:59:59pm.
- b. "Pickup" free agents. You may drop an active player on your roster to "pickup" a free agent (player not on an AFFL roster - active or taxied). Pickups are \$2 per player, drops are no charge. Pickups are permitted until you are out of the playoffs.
- c. "Taxi" free agents. You may temporarily "taxi" a free agent onto your roster for the week's play without altering your active roster. The taxied player becomes a free agent after the Mon night game (unless owner has previously committed to re-taxi the player). Taxis are \$2 per player. Taxis are permitted until you are out of the playoffs.
- d. Each team's transaction charges are accumulated and recorded into the league "kitty". These charges will come due at Commissioner's discretion - normally at the end of the season.
- e. Each week of the regular season, the team(s) with the highest score receives that week's transactions free.
9. Determine your post-season status.
- a. Division winner. The 3 teams with the best win/loss records in their respective divisions are division winners. Winning criteria and tiebreakers are:
- 1) number of wins
 - 2) winning percentage (tie = 0.5 win)
 - 3) total points
 - 4) head-to-head competition
 - 5) highest point total one game

A-SON FANTASY FOOTBALL LEAGUE 1996

TRANSACTIONS FOR WEEK #1

- 8. SAVANNAH SLASHERS Dropped BUTLER, KEVIN
- 8. SAVANNAH SLASHERS Picked Up BLANCHARD, CARY

COMMISSIONER'S NOTES:

1. Where do I begin ... the draft. The draft did not run as smoothly as I had planned. Students, parents, late arrivals, no shows, rule changes, slap fights, draft order hangups, loud music, beer consumption, beer shortage, extracurricular activities, etc. all contributed to one long draft and one big headache for Commish. I hope you all had fun.
2. I have revised the "official rules" (pages 1-4) to include the league changes agreed upon at the draft. One item not mentioned in the "official rules" is the question of where multi-position players can start. We agreed to let me decide where these players can start, based on their projected NFL position that week. Presently, Eric Metcalf is the only player that can start at either of 2 positions, RB or WR.
3. Since the league now has 15 teams, I have reorganized them into 3 divisions of 5 teams each. The odd number of teams poses a scheduling problem. To cope, I have created a "dummy" team that each AFFL team will play once during the regular season. The "dummy" team will always score 25 points. You will receive a win, loss or tie when playing the "dummy". This way, every AFFL owner can play every week.
4. Like last year, this will be the report format. Every week, insert these pages in the back of your blue booklet I distributed at the draft.
5. Sorry for the delay in receiving week #1's reports. The late draft, the holiday, new FFL software, long hours at IMS, home-building decisions and my phone ringing off the hook have all contributed. I should be back on schedule next week.
6. Now let's have some fun! Poop, Toss & Hurl (best name to date) has no intentions of repeating as Toilet Bowl Crapper and grabbed high score for week #1. Toss quickly utilized the 2 positions we enhanced for more scoring potential, 3rd WR and DEF, to account for 29 of his 47 points. New comer West Side Crackers used a Buckeye alumni strategy to knock off last year's Fantasy Champ. Taters, Steve! Kingos Schlonskies, last year's Toilet Bowl Runner-up, flushed Hell's Caretakers, last year's Fantasy Bowl Runner-up. What a difference a good draft makes.
7. Lastly, I "dreadfully" expect to hear some light-hearted "whining" from the team that lost to the "dummy".

COMMISSIONER'S NOTES:

1. The Ravens are starting to play to Modell form, but the loyal Dawg Goners stepped in and took high game this week. Remember, the team with the highest score each week gets their transactions for the week free. Sorry Brice - no transactions, no savings. Congrats anyway!
2. Revenge was the theme in the rematch of last year's Fantasy Bowl. The Hell's Caretakers rode the red hot Packers on Monday night to overtake the Yukon Jacks in a high scoring affair. Last year's Fantasy Bowl consisted of the Jacks coming from behind on Monday night to ice the championship from the Caretakers. Paybacks are ... not as lucrative during the regular season. Wait til playoffs!
3. What do the St. Louis Rams, N.Y. Giants and Savannah Slashers have in common? They all were shutout in week #2! There should be some kind of penalty for this. I am taking suggestions.
4. The changes made to balance scoring across positions seem to be working. The point distribution for starters this week is as follows: QB = 92, RB = 110, WR = 102, K = 97, D = 81
Average score this week (including Slashers' zero) was 32 points. During the games, I think the increased WR and D scoring creates more hope while losing, more anxiety while winning and ultimately, more fun while playing.
5. The Dreaded Dummy wins again. Who's next? Stay tuned next week for the only battle between the undefeated - Dummy vs. OPH.

COMMISSIONER'S NOTES:

- 1.Suffield's favorite Martin landed 20 points to launch the Stagers to a league leading 61 game high and 124 total points. Last year's game high was 63. These pale to the 73 points scored 2 years ago in the first week of play of the newly formed A-Son Fantasy Football League when we used a straight "basic" scoring system with no bonus points. Awesome then, beatable now. Who can do it?
- 2.The Dummy has fallen. OPH rode the Bettis train on Mon. night to overtake the dreaded one. It wasn't easy.
- 3.Yukon defeated Kingos on the versatility of Deion. Neon scored a defensive TD. Yukon started both Deion and Dallas defense. I scored the TD as 6 points for Deion and 6 points for Dallas. This follows the previously accepted scoring of a kickoff/punt return for TD as 6 points for the player (Metcalf, Vanover, Freeman, etc.) and 6 points for the defense. Thank you John for accepting this decision in your usual sportsmanlike manner.
- 4.I'm working on scheduling the "Swap Meet" party so that most owners can attend. It seems the weekend of 10/6 is bad for many. I'll keep you posted.

COMMISSIONER'S NOTES:

1. The Mogadore Maulers' balanced scoring attack (7 scorers) inched the Schlonskies 2-man barrage (two 20+ scorers) for high game. Way to go, Pursell! He must be taking notes at the high school games.
2. How can the team with the highest 'points for' total be 1-3? Answer - they also have the highest 'points against' total. Some guys have all the luck, right Shelly? Even at 1-3, the 39ers are one of the most feared (but lovely) opponents in the league.
3. Other notable games - OPH squeaked a 1-point win to stay undefeated, Nicodemus scored 39 for the third time to stay undefeated, and the Dummy wins again to go 3-1.
4. Due to scheduling conflicts, the "Swap Meet" party will be split into 2 smaller outings. A round of golf will take place at Pixie Springs on Sun, Oct 6, 11am for all that can attend. Beer drinking, trading and football will follow. A Monday night gathering will be held somewhere on Mon, Oct 7, 8pm to watch the Steelers vs Chiefs while trade talks abound. I'll keep you posted.

COMMISSIONER'S NOTES:

1. The Crackers climbed to the top of the Arctic iceberg by scoring a season high 63 points with 4 players in double digits and 1 starter out. If Steve starts managing his team, he could be dangerous!
2. The Schlonskies continue to put up king-size numbers and now lead the league in total points. The Staggers continue to get knock-out blows from their opponents, who average 41 points per game against them. Points leader Kingos averages a mere 39.
3. The Volcanoes bested (or Bettised) the 39ers to stay undefeated. The Caretakers and Brett Favre are extremely hot and have won 5 in a row. The Maulers are quietly having a terrific year and are contending for the title in the league's toughest division.
4. Pixie Springs was a flop. Diggers was a blast. The \$230 bill majorly exceeded the budget such that the November "Prayoff for Playoff" party will be held, but not funded by the league. Sorry, I allowed the overshoot and personally paid the bulk of it. Great fun though - it was one of the best AFFL gatherings to date.

COMMISSIONER'S NOTES:

1. OPH squeaked by Kings in another close victory to stay undefeated.
2. Caretakers and NFL officials burned the 96ers for their first loss.
3. Remember to call your lineups in before the Thur night game at 8pm!
4. Kings again politely questions the scoring system. He would like to define all possible fantasy scenarios so that pre-determined rulings can be made. Please submit your bizaar favorites to John. When all possible NFL situations and circumstances have been identified, John may submit suggested rulings and supporting arguments to Commish for review. I think he's after my job!!!

COMMISSIONER'S NOTES:

- 1.The 96ers and Slashers combined for a 107 point scorefest. The 96ers scored a league high 67 points highlighted by a rare double triple.
- 2.It took the defending AFFL Champion Yukon Jacks to finally defeat the OPH Volcanoes. We won't mention their combined score.
- 3.The Schlonskies continue to score big to maintain the prestigious lead in total points while the Staggers continue to be scored big upon to maintain the unwanted lead in total points against.

COMMISSIONER'S NOTES:

- The Pacific Division teams continue to show their muscle by all punching in over 30, totalling a heavyweight 192 points, beating on each other. The Dawg Goners, relieved of not competing intradivisionally, pounded out a week high 52. The Volcanoes maintained their undisputed divisional status by bamming out a win over the Caretakers. The Maulers took over as the #1 contender by delivering a come from behind Mon. night 153 yard knockout blow from Jake Reed to down the 39ers. Ouch! If the playoffs started this week, all Pacific teams would make the Fantasy cut.
- Only 2 games separate the best and worst records in the Arctic Division. If the playoffs started this week, only one Arctic team would make the Fantasy cut, on a tiebreaker. All Arctic teams do have a shot at the division title.
- AFFL Official Rules state the "best 8 win/loss records" make the Fantasy playoffs. I have been petitioned to change this rule to guarantee each division winner a playoff birth, regardless of record, like the NFL. Additionally, I would like to propose making the "dummy" team ineligible for the Fantasy playoffs. These rule changes could have bearing on this year's playoffs. The Official Rules also state "during the season, amendments to rules require unanimous vote of team owners". I support both above amendments but will not make the changes this year unless all owners agree. These 2 amendments need to be decided on immediately! SUBMIT YOUR VOTES TO ME BY MONDAY 11/04/96. Votes not submitted by Monday will be counted as votes **for** the 2 changes.

COMMISSIONER'S NOTES:

1. The amendment to make any "dummy" team ineligible for the Fantasy playoffs passed unanimously and is effective this year. The amendment to guarantee all division winners Fantasy playoff births was not passed unanimously, but enough support was shown to make the rule effective next year.
2. Jerry Rice caught his 1,000 catch, but more importantly, helped the Wideouts obtain high score for the week.
3. This is the last week for trades! The official deadline is Mon. 11/11/96 at 11:59pm. OPH worked his league leading 6th trade late Mon. night and is on pace to repeat as "the trade-master" (\$25 prize). A distant second are the 96ers, Slashers and Argonauts with 4 trades each. Get busy, make moves and ready your team for the playoffs!

COMMISSIONER'S NOTES:

1. What a week! Six teams over 40 points (2 of which lost) and three teams break 50. The Maulers toyed with 60 by scoring from every position and taking week high at 58.
2. Kingos keeps Commish's 96ers honest in tightening up the division win, best record and total points categories by coming thru in a must win situation. Commish's least favorite Martin does the damage on Mon night. Kingos wouldn't allow a new rule of no points received when catching a pass from the ugliest QB in the NFL.
3. OPH is this year's first prize winner, repeating as **Trade-Master** by engineering 8 trades! The 6 trade week listed above is an AFFL high. The Mon. night trade deadline gathering (one of my favorite outings) at Diggers produced 4 more trades involving 15 players - including names like Rice, Warren, Bam, Fryar, Watters and Emmitt. These trades will be listed in week 12 reports.

COMMISSIONER'S NOTES:

1. This week's low scoring was highlighted by the mighty Favre painfully falling short Mon. night to allow the Maulers a 21-20 win over the Caretakers in the week's prime matchup.
2. The Argonauts (15th seed) took high game with 47. The only high scoring game naturally featured the 2 teams with the most points against. Only 1 point separates the Argonauts and Staggers from that \$25 prize.
3. All my years of hating the Cowboys was punished this week by Barry's Emmittless game plan, Aikman's red-zone/ozone passing and Chrissy Bone-you-all's sissy kicks. Penance has been served.
4. The "Prayoff for Playoff" party will kickoff this Sun. 11/24 1:00pm at Rudy's (Rt 18 & 43). Poop has graciously offered the use of Rudy's and to cook some food for the event. The league will supply a keg of beer. Six teams are vying for the last 2 playoff spots.

COMMISSIONER'S NOTES:

1. A great finish to a great regular season! Sensing the climax of the season, the Schlonskies rose to the occasion and exploded for an AFFL all-time high of 74 points. Kingos was shooting for 69, but the Dummy was reeeeeeally goooood.
2. The Volcanoes erupted for 17 points to win sole possession of best record. OPH is the leading prize money winner with \$100 - although, he may still owe the league money at season end.
3. The 96ers thank OPH for sacrificing Bettis's stats and allowing him to fumble late Mon. night for the deciding tally in the battle for most total points. As an ex-Commish, OPH knows the value of supporting the Commish as many ways possible. By the way, OPH wins all tie-breakers throughout the playoffs.
4. Playoff tie-breakers. In the NFL, the playoff team with the best record gets home field advantage. Likewise in our AFFL playoff games, the team with the highest seed will be the home team, whose only advantage is winning a tie. Settle down Kingos, I took this paragraph verbatim from last year's Commissioner's Notes.
5. And the money winners are:

OPH Volcanoes	Pacific Division Winner	\$ 25
	Fantasy Playoff Birth	25
	Best Record	25
	Most Trades	25
Nicodemus 96ers	Atlantic Division Winner	25

COMMISSIONER'S NOTES:

1. Congratulations to all Fantasy playoff winners - you're \$25 richer! True to theory, the top 4 Fantasy seeds advance to the final four. The Fantasy semi-finalists did not mess around, averaging 47 points per win. The 2 record-masters from the powerhouse Pacific and the 2 point-kings from the atomic Atlantic will battle once more to represent their respective divisions in the Fantasy Bowl. Tag-teams anyone?
2. Congratulations to all Toilet playoff winners - you're \$10 richer! True to theory, the top 4 Toilet seeds won to constipate their slide to the Crapper. The 4 division dungeon dwellers (including Dummy) are dangerously dangling from the dreaded drop to the DumperDome. Don't do-do it, dudes (and dudess)!
3. For those still in the playoffs, remember to call in your line-up before Thurs. night's game!
4. For those out of the playoffs, pick your line-up as usual and track how far you would advance if you had won (or lost) last week. Also, continue to gather and root your buddies and brethren to victory (or loss).
5. Net winnings will be given out at the "Secondary Super Bowl" party on Super Bowl Sunday. Time and place will be announced soon. Net losses will be due early January 1997. Be prepared!!!

COMMISSIONER'S NOTES:

1. It's the "Battle of the Bridesmaids"! The Hell's Caretakers (1995 AFFL Fantasy Runner-up) will exchange vows with the Nicodemus 96ers (co-owner of Bob's Lake XXXs, 1994 AFFL Fantasy Runner-up) in this year's blessed event. Each team has once accomplished the nervous journey down that long winway only to watch another receive the coveted ring and kiss the cash prize. Again, these two teams have made it back to the alter and again, one will be left a forgotten, *pretty good* team.
2. But one will be pronounced Fantasy Champion and take his place in AFFL history. Some will cheer and some will cry next Monday night as the Champion is announced. Some will ooh and some will aaah as the Honeymooner receives the ring and prizes at the "Secondary Super Bowl Party" celebration. Some will be awed and some will be jealous as the Champ enters the "Genuine Draught Party" next August, sporting the ring and the dozen FFL magazines he bought with the prize money. Some will reflect fondly and some will curse as they read reference to the reigning Fantasy Champ in next year's Commissioner's Notes. Love it or hate it, an AFFL Champion's fleeting spots of glory are worth the lifelong commitment to his/her newfound love - Fantasy Football!
3. The San Fran 39er's last/late minute QB change came up not smelling like crap as Hoss came up smelling like roses Mon. night. Thus, as hoped, the Dreaded Dummy is grunting for the Toilet Bowl Crappership. Only the L.A. Argonauts can blow-out the Dummy's fate with waste and a disgusting 1997 team name.
4. For those interested in cheering or jeering the Fantasy Bowl participants, meet at the Ground Round (Rt. 59 in Kent) at 9pm Monday night. Last year we had a good turnout, which made the main event as fun as it was hyped. Please come if you can!

5. NICODEMUS 96ers Dropped Taxi NEW ENGLAND DEFENSE

COMMISSIONER'S NOTES:

1. I'm so excited I can barely think or type... Commish's Nicodemus 96ers are the 1996 Fantasy Champions! There, I've been waiting all year to type that. Defense was the key as the 96ers held off the Caretakers Mon. night - but not without some sweating, skipped heartbeats and a near urinary accident on the Moulds TD. Thanks to all who gathered on Sun. and Mon. night to watch the Caretakers and 96ers go down to the wire, as all three AFFL Fantasy Bowls have. Thanks to all AFFL team owners - this truly was a great, great year!
2. Again, a carefully chosen team name seems to help the Champion's cause. Commish gladly sacrifices a finished home on Nicodemus in 1996 for a Fantasy Championship in 1996. Don't let Jana know the ulterior motive for the 96ers name! She picked the name based on the greatly anticipated move-in date. I liked the name for greater anticipated year the Fantasy Championship was brought home! By the way, I did not do the ultimate job of team naming as my predecessor did, the Yukon Jacks. It seems only 12 letters will fit on the Fantasy ring. Keep that in mind when deciding on your next year's team name.
3. The "Secondary Super Bowl" party will again be held at Flytz Gym on Super Bowl Sunday 1/26/97, starting at 5pm. Beer and food will be in abundance. Better halves, as always, are welcome.
4. Included in this last report are the final Kitty Transaction breakdowns per team. Winnings will be distributed at the "Secondary Super Bowl" party 1/26/97. Owed amounts are due to me by 1/12/97. Here is a summary of net dollar amounts:

THANK YOU

COMMISSIONER'S NOTES:

1. Have you missed these notes? I just received the Fantasy Championship ring and couldn't help but try it on. "The Ring's the Thing" is appropriately inscribed on it - that says it all! Now I need to vent some glee. I'm feeling mighty good and want to share some success by supplying my best information tool for your use. Enclosed are the reports I use during the season to evaluate players. This will be handy in preparing for next year's draft. The quest for next year's ring begins now!
2. After a few weeks of no Fantasy Football, I already miss it. In reflecting on the year, I want to thank all of you for a tremendous season. The owner participation level was the highest since the league formed, increasing throughout the year. Involvement is the key to a successful Fantasy league. It makes competition better, communicating easier, information more abundant, trading more interesting, gatherings more fun and builds comradery among friends and family. Let's continue to promote and improve quality participation and make our AFFL the best fantasy football league in the area!
3. A reminder that the "Secondary Super Bowl Party" will start 5pm this Sunday 01/26/97 at Flytz Gymnastics. Beer and food will be supplied. Prizes will be awarded. Super Bowl game pools will be played - \$1 per square. Bring your better half, if they're up to it (we have a few better halves breeding future fantasy football freaks and are not too keen on involving them this early in life).
4. A few of you have not paid your net transaction fee debt. Be sure to have it Sunday!
5. Thanks again and LET'S PARTY!!!
