

A-Son Fantasy Football League

1999 Season

COMMISSIONER'S BOOK

A-Son FFL Commissioner: Scott Anderson

Hey AFFL Owner:

August 10, 1999

How do you like the new A-Son league logo? I will change the team names in our "ring" as soon as all 1999 names have been finalized. I hope to incorporate our new logo into some prizes and/or apparel. We can discuss it at this year's *Pixie Rules* meeting.

The *Pixie Rules* meeting will be held **Sun. 08/22/99, 7pm at Pixie Springs Par-3 Challenge Golf Course** (next to Suffield Springs Golf Club), 2205 Congress Lake Rd. in Suffield. To get there, take Rt. 43 south thru Brimfield, past Mogadore Reservoir, left on Randolph Rd., right on Congress Lake Rd. Like last year, at the meeting we will:

- 1) Review this year's rules changes.
- 2) Agree on the official rules (enclosed).
- 3) Pay all \$100 franchise fees.
- 4) Re-align divisions.
- 5) Get pumped for the football season!

Please read the enclosed official rules so you are prepared to discuss them. If you cannot make the meeting, be sure to contact me **in advance** to arrange for your \$100 payment to secure your team. If you are unsure you will play this year, notify me immediately!

For those who like to golf, come to Pixie at **5pm to play 9 holes** before the meeting. Bring your own beverage and **\$10 to play** - \$5 will pay for the golf and \$5 will be added for golf prizes.

The Browns return has brought back some added excitement to our league this year as the Browns/Steelers rivalry is resurrected along with A-Son owner/fan bragging rights. Also, many of us will have to resist choosing AFFL players with our hearts rather than our heads, although the fun of double rooting for Browns players might be worth it!

See you at Pixie, hopefully with clubs in hand.

OFFICIAL RULES

Commissioner: **SCOTT ANDERSON** 330-297-6558 sba-son@usa.net

Carefully review these guidelines to prepare for the 1999 season (changes from last year are shaded in gray).

1. **Study these rules.** Questions and clarifications will be addressed at the *Pixie Rules* meeting, held Sun. 8/22/99, 7pm at Pixie Springs Golf Course in Suffield. During the season, amendments to the rules require unanimous vote of team owners. Additions and clarifications to the rules are made at the Commissioner's discretion. During the off-season, rules may be amended or added by the Commissioner, to be agreed upon with majority vote of team owners the following year.
2. **Pay your \$100 franchise fee.** No money, no team. The full, non-refundable \$100 fee will be due at the *Pixie Rules* meeting. Last year, we avoided the payment problems from years past - thank you! Failure to pay dues when due will likely result in immediate loss of your franchise. Make checks payable to Scott Anderson.
3. **Decide on your team name.** Last year's names will be assumed. Divisions will be re-aligned at *Pixie Rules* meeting, so your division geography may change. You may change your team name on or before draft day. The conventional geographic location and mascot name is a guideline, but not required. Be clever, but clean - with one exception. Last year's Toilet Bowl loser must incorporate some reference to toilet or toilet usage in their name. This name must be agreed to by all other owners. Last year's Toilet Crapper team was the *Iron City Slashers*. Unfortunately, Iron City cannot return this year, spoiling our soiled name fun once again.
4. **Prepare for draft day.** Study NFL players/teams and gather literature/notes to bring on draft day. Last year's stats, this year's Cheat Sheets and NFL schedules will be provided.
5. **Show up for draft on time.** No show, no team. If you cannot attend the draft personally, you may send a representative to draft for you. The rep cannot be another A-Son league owner. Missed draft picks due to tardiness will be made up upon arrival, from the remaining player pool at that time. *Genuine Draught* day party commences on Sun. 9/12/99 9:00am at Scott Anderson's house in Shalersville. Draft will begin promptly at 9:30am. Better halves are welcome. Coffee, beer, cocktails and food for all! All are welcome to stay the day for the games, including the Browns/Steelers brawl at 8:20pm. Besides big screen TV football - *swimming*, *horseshoes*, *foosball* and darts can be enjoyed.
6. **Understand draft day rules.**
 - a. 16 teams from 4 divisions will draft 13 players each.
 - b. Each team may keep 1 player from last year's roster. First, team draft order will be randomly selected by the computer. This will be the order used for all rounds as described in 6c. In the next 15 minutes, owners will decide if they will keep a player as their 1st round draft choice, or not keep a player and draft a player in the 1st round. *Draft trade talks may commence.* After 15 minutes, keeper decisions will be secretly submitted and announced. Draft then begins.
 - c. Round draft order will be:

1st pick thru 16th pick for rounds 1, 2, 5, 8, 9, 12, 13
16th pick thru 1st pick for rounds 3, 4, 6, 7, 10, 11.
 - d. Each draft pick must be announced before timer reaches 0:00. Failure to pick in time will result in the loss of that pick. A makeup selection (no charge) will be made after the draft to fill the roster spot.

Rounds 1 thru 3 = 2:00 min each
Rounds 4 thru 13 = 1:00 min each.

A-SON FANTASY FOOTBALL LEAGUE 1999

- e. During the draft, draft picks/players may be traded. This includes upcoming draft picks and players already drafted, limited to the in-process draft only. No extra time will be allotted for trades. Trades may commence as soon as keepers are announced. Draft trades are no charge and count toward the Most Trades prize. Your 13 draft picks are paid by your franchise fee. Trading multiple picks for one higher pick is allowed. Pickups made after the draft to increase your roster to 13 will be charged. Rosters over 13 players must be reduced down to 13 before week #2 game action.

7. Participate in weekly regular season play.

- a. AFFL regular season uses the first 13 weeks of the NFL season. Week #1 begins Sun. 9/12/99, week #13 ends Mon. 12/06/99.
- b. Each week, your team plays one other team in head-to-head competition - most AFFL points scored wins the game. Equal scores will count as a tie (no tie-breakers).
- c. You will play each team in your division once. You will also play most of the remaining teams once. There will be only 2 teams you do not play in the regular season.
- d. Each week you select your starting team of 8 players: 1 QB, 2 RB, 3 WR, 1 K, 1 DE. You must submit your starting lineup to Commish by kickoff of the first game of the week (sometimes Thu. or Sat.). If no lineup is submitted, your starters from the previous week will be assumed. If assumed starting lineups are incomplete, Commish will fill holes with non-bye roster players and/or use best judgement to complete a starting lineup. The unsubmitted, incomplete lineup will cost the owner \$5 per occurrence, on top of any needed transactions. This will help keep a consistent competition level, even when owners are having problems submitting lineups.
- e. Tight ends are optional and are considered wide receivers.
- f. The team selected as your Defense is also your Special teams selection. Their scoring is combined.
- g. Points are scored and accumulated as follows:
- | | |
|--|-------|
| Touchdown pass | 4 pts |
| Touchdown run, return, recovery | 6 pts |
| Touchdown catch | 6 pts |
| 2-pt conversion pass..... | 1 pt |
| 2-pt conversion run, recovery | 2 pts |
| 2-pt conversion catch | 2 pts |
| Field goal (1-49 yds)..... | 3 pts |
| Field goal (50+ yds)..... | 5 pts |
| Extra point kick..... | 1 pt |
| 300 yards passing..... | 2 pts |
| Each 100 yards passing over 300 | 2 pts |
| 100 yards rushing..... | 2 pts |
| Each 50 yards rushing over 100 | 2 pts |
| 100 yards receiving..... | 2 pts |
| Each 50 yards receiving over 100 | 2 pts |
| Defense allows no offensive points..... | 4 pts |
| Defense allows no offensive touchdown..... | 2 pts |
| Defensive safety..... | 2 pts |
| Defensive turnover..... | 1 pt |
- h. Players started on offense will not be credited individual points scored on defense (e.g. Dion Sanders returns an interception for a touchdown).

A-SON FANTASY FOOTBALL LEAGUE 1999

- i. Multi-position players (e.g. E. Metcalf) must be assigned 1 position by the new owner when they are obtained. The player can only be started at this assigned position.
 - j. Weekly scores, standings, transactions and rosters will be mailed on Wed. You should receive these reports by Fri.
8. **Improve your team throughout the season.** Continually monitor the performance of your AFFL team's players, other AFFL teams' players and AFFL free agents. Post-draft roster changes are allowed and encouraged!
- a. "Trade" players. You may "trade" your player(s) with another AFFL team's player(s). **Both** owners must contact Commissioner to verify the deal before traded players can start for their new teams. If foul-play is suspected (i.e. moves detrimental to high integrity of the league), Commissioner may deny the trade and/or call for an owner majority vote to allow or disallow the trade. Trades are \$2 per obtained player per team. Trade deadline is end of week #11, Mon. 11/22/99 at 11:59:59pm. The *Swap til ya Drop* party will mark and spark the event.
 - b. "Pickup" free agents. You may drop an active player on your roster to "pickup" a free agent (player not on an AFFL roster - active or taxied). Pickups are \$2 per player, drops are no charge. Pickups are permitted until you are out of the playoffs.
 - c. "Taxi" free agents. You may temporarily "taxi" a free agent onto your roster for the week's play without altering your active roster. The taxied player becomes a free agent after the Mon. night game (unless owner has previously committed to re-taxi the player). Taxis are \$2 per player. Taxies are permitted until you are out of the playoffs.
 - d. Each team's transaction charges are accumulated and recorded into the league "kitty". These charges will come due at Commissioner's discretion - normally at the end of the season. Failure to pay dues when due will likely result in immediate loss of your franchise!
 - e. Each week of the regular season and playoffs, the team(s) with the highest score receives that week's transactions free. A \$2 credit is applied for high team(s) with no transactions.
9. **Determine your post-season status.**
- a. Division winner. The 4 teams with the best win/loss records in their respective divisions are division winners. Each division winner automatically makes the Fantasy playoffs, regardless of record. Winning criteria and tiebreakers are:

1) number of wins	3) total points
2) winning percentage (tie = 0.5 win)	4) head-to-head points
	5) highest point total one game
 - b. Fantasy Bowl playoffs. The 4 division winners and the next 4 best win/loss records (seeding based on 9a above) will play for the Fantasy Bowl Championship. This will be a single-elimination playoff tournament, **winners** advance (tie-breakers same as 9a above). Quarter-finals will be played week #14, semi-finals played week #15, Fantasy Bowl played week #16.
 - c. Toilet Bowl playoffs. The remaining 8 teams not making the Fantasy playoffs (seeding based on 9a above) will play for the Toilet Bowl Crappership. This will be a single-elimination playoff tournament, **losers** advance (tie-breakers same as 9a above, on losing side). Quarter-finals will be played week #14, semi-finals played week #15, Toilet Bowl played week #16.

A-SON FANTASY FOOTBALL LEAGUE 1999

- d. Money winners. Payouts are cumulative and will be distributed at the *Secondary Super Bowl* party on Super Bowl Sunday.

| (2) Toilet Semi-final Winners..... | \$ 5 |
| (1) Toilet Bowl Winner | \$ 1 |
| (1) Toilet Bowl Crapper | \$ 0 |

10. **Attend all AFFL functions and parties.** Frequent, spontaneous gatherings of AFFL owners are strongly encouraged throughout the season. Three *official* parties have been budgeted and tentatively scheduled. The Prayoff for Playoff party has been dropped due to lack of attendance, but has been *officially* replaced by the very popular *Swap til ya Drop* trade deadline party.

<i>Genuine Draught</i>	Draft day	Sun. 09/12/99
<i>Swap til ya Drop</i>	Trade deadline	Mon. 11/22/99
<i>Secondary Super Bowl</i>	Super Sunday	Sun. 01/30/99

11. **Stay in contact with your Commissioner.** For his efforts, Scott's franchise fee is waived. Be respectful of Scott's family when calling his home (phone # 330-297-6558 or 330-297-1577 evenings/weekends) with your starting lineups, trades, questions, etc. Leave a message if no one is home. When calling Scott's work (330-762-0251 x233 weekdays), ask for ext. 233 voice mail or Scott **B.** Anderson voice mail (since there are two Scott Anderson's) and leave a message.

12. **Enjoy the NFL season more than you ever have before!**

COMMISSIONER'S NOTES:

1. This year's draft was even more efficient than last year! We finished under 3 hours from start to finish. Not bad for 208 player selected. Except for a glitch with the software not translating the draft picks to team rosters, all went smoothly. We even had a draft trade. Thanks to everyone for your patience, cooperation and courtesy. Jana even had a good time. The software glitch has been resolved with no data lost. Whew.

2. I reviewed our AFFL rosters and in my opinion, the talent is well balanced throughout the league. Most of you were well prepared for the draft. There are no powerhouse teams yet, but that is what trading is for!

3. Newly named Saucy Spikers threw down some awesome defense at the Dawg Backers. After taking opponent Dawg's advise to bench Dyson (who scored 16 pts), Saucy returned serve to score a blistering 60 points - high game of the week. Thirteenth round pick Jacksonville DEF led the way, scoring 19 against the high power San Fran offense, not allowing a TD, and holding opposing Terrell Owens and Wade Richey in check. Nice work S.S.

4. Another emotional AFFL rollercoaster day...Get 1st overall draft pick, cool. Have an excellent draft, cool. Drink a few beers, cool. Watch football, cool. Have 4 players score in double digits, cool. Score 42 points, cool. Life is good, I love this game. Started only 2 of the 4 double digit scorers, drag. Stud RB re-injured in first half, drag. 42 points earns a measly tie, drag. Sobered up, drag. Drive to Cleveland to watch Browns lose opener to Steelers by more points than my AFFL team scored, DRAG! Life is ugly, I hate this game...Who am I?

5. Strange scoring week. QB and DEF were big, RB and WR were not. Nine QBs in double digits. Nine DEF touchdowns scored. Top RB guns Terrell, Jamal, Fred, Dorsey, Ricky and Ricky were shutout. Top WR guns Randy, Terrell, Jerry, Herman and Carl were also shutout.

6. Browns are back! And boy are they bad. Bragging rights belong to big butt Bettis fans. Bummer. Bring back Bernie!

COMMISSIONER'S NOTES:

1. Defending Champion Suffield Stagers needed only 2 players - #1 QB and #2 RB - to outscore Commish's Leaders and go on to take high game of the week. Their 54 points edged out Dawg's 53 and Baha's 52, and saved them \$8 in transaction fees. The Stagers' record remains unblemished as they continue their momentum from last season.
2. Did I mention last week that the league was well balanced? After just 2 games, there are only two 2-0 teams and only three 0-2 teams. The remaining eleven teams are somewhere in between.
3. Saucy and Mogadore score just enough points on Mon. night to stay undefeated. Baha has raced out front in the total points category and also remains undefeated.
4. I must say, the Couch-to-Johnson TD was one of the most enjoyable scores I've experienced in a while. It was not only beautifully executed with extreme athleticism, but gave me goosebumps too! You Steelers fans out there probably didn't get the goosebumps, so your willies will have to suffice.

COMMISSIONER'S NOTES:

1. Saucy Spikers score another week high and remain the only perfect team by inserting 2 mega-syllable new starters who scored more points than letters in their long last names. S.S. is living up to their enviable perfect 10 reputation! Beware Saucy, this week Baha returns from the v-ball beaches of the Pac Coast with an undefeated record and a hot recipe to serve the tasty Spikers. Have plenty of beer on hand to swallow this one folks. Only one undefeated team will remain...
2. Vale Dr. will be Violating some forbidden fantasies (I hope a football is involved) this weekend in PA as owners Tommy & Margaret merge to commence their lifelong AFFL partnership...oh yeah, and marriage. Commish will see many of you there as we try to pry the studly McCaffrey from Margaret at her weakest moments. I have a feeling Thomas will have his game pads on and rise to the occasion to let no man violate his territories.
3. Since I will be celebrating in PA this weekend, you may want to call in your lineup on or before Fri. night. I will try to make it home Sun. morning before the games, but there are already bets against it. Leave a message on the A-machine. Bring on Billy Idol and a...Whitis Wedding!

COMMISSIONER'S NOTES:

1. Sassy Saucy spikes down yet another high game of the week with 55 points. Spikers are averaging 48 points a game and running away with total points. Add the fact that their average opponent's score is 18 points per game and we understand the 4-0 record and who is this year's *golden one*.
2. Another keeper bites the dust. The Tropic division has been hit hard, losing Jamal & Terrell for the season and waiting for Fred to either heal or break. At least the division is on an even playing infirmiry.
3. The Maulers and Predators hooked Commish up with some Browns tickets this Sun. to see the new Browns first win. Now here are some owners who know how to get Commish's attention for an afternoon. I will be leaving around 11am, so call in early or leave a message.

COMMISSIONER'S NOTES:

1. Only one local team really stepped up to the plate this weekend to produce a quality outing. The Mogadore Maulers scored a week high 49 points, way above the rest of us who at best, were hovering around the league average. Mogadore mauled Brown St to take over the Atlantic division lead. It's good to see one area team step it up in October.
2. Commish needs to vent some Tribe debacle blame. If you agree with most of these short sarcastic philosophical tags, the Tribe may truly be in trouble...John "good hitting beats good pitching" Hart.; Mike "goals are lip service" Hargrove; Jaret "I only need my 2 unmastered pitches" Wright; Manny "red is cool" Ramirez; Steve "subparine" Reed; Dave "hide your pain until playoffs" Burba; Paul "Jeckyl/Hyde" Shuey; Bartolo "enough 100mph fastballs beats good hitting" Colon; Kenny "stay healthy, avoid contact" Lofton; Charlie "unexiteable boy" Nagy; Dave "stiff" Justice. These guys must be losing in their fantasy football leagues and need to devote more time to it. Now I understand.
3. The Browns bungled beating the Bengals, but boy was it a beaut to be there, belt beer and behold the battle. Thanks again Pursells.

COMMISSIONER'S NOTES:

1. The Moss, Carter & Rice receiving trio finally did as good on the field as they look on paper, leading Toss, Troy & Poop to high game of the week. Poop finally picked up a defense, who was so flattered they scored 2 TDs for their new owners!
2. How about that 5 for 5 trade - biggest in A-Son history. Based on this week's scores, looks like it may take Postal and Brown St some time getting used to their new rosters.
3. Note that there is a Thursday night game this week. Be sure to call in your lineup before kickoff!

COMMISSIONER'S NOTES:

1. The Volcanoes erupted for a season high 61 points after finally pulling the trade trigger for a stud receiver. OPH vaults to the top of the Atlantic with a 3 game win streak. Benching Bye-Bye Brunull and starting Griese over Fiedler on the Bye could have been the key. Can OPH keep the hot lava flowing?
2. Speaking of streakers, the Champion Staggers are in cruise control on a 4 game win streak, sole best record in the league and a 2 game division lead. Suffield also improved their receiving corp and may be awfully hard to catch. The Leaders' new field general still has the Ring in his sight though, by George.
3. Poop is beginning to unconstipate and blow out the opposition. Could we be looking at a Fantasy Bowl rematch with the Staggers? Or will hot Saucy have the ingredient to dilute Poop's bomb attack?
4. All teams are still in the hunt for a division win. No one is more than 3 games out with 6 games to go.

COMMISSIONER'S NOTES:

1. Again led by the high scoring KC defense, again OPH takes high game of the week with 58 points and extends their win streak to 4 games. Suffield staggered close behind with 55 points to extend their win streak to 5 games. One of these two monsters' streaks will end next week as they square off in a battle of the hottest division leaders. The bad news for the rest of us is the winner's streak continues.
2. Saucy Spikers and Suffield Staggers sure seem to squash opponents skill to score.
3. A-Son gang, sing along.....Hail, hail, the Browns win one; Saints can't beat St. Mary; Ditka's future's hairy; Hail, hail, the Ravens next; Modell could lose his team Sunday!!!

COMMISSIONER'S NOTES:

1. Brown St is getting quite comfortable with recently acquired Kurt and with some overdue production from Antowain, takes high game of the week with 58. Brown St is only one game behind the hot Volcanoes, who with newly acquired Peyton, extended their win streak to 5 games.
2. As of week #8, the top 5 QBs in A-Son FFL points were 1) K. Warner; 2) P. Manning; 3) B. Johnson; 4) D. Bledsoe; 5) B. Griese. Did anyone else besides Kingo realize Brian Griese's production?
3. Trade deadline is end of week #11, Mon. night 11/22 at 11:59:59pm. I will announce next week where the league sponsored *Swap til ya Drop* gathering will be held on Mon. night. OPH, the original Trade Master, leads the chase for Most Trades prize with 5 trying to regain their title from Postal. Ring Leaders are next with 3 trades, then Postal and Kingo with two. Gear up to make your run at something!

COMMISSIONER'S NOTES:

1. Can OPH be stopped? For the third time in four weeks, the Vols take high game of the week. This has saved the OPH franchise \$24 in transaction fees, while their team gets better! Commish is impressed, but is not happy with this A-Son party money suckage. Stop them immediately!
2. *Swap til ya Drop* party will commence at 8pm Mon. 11/22 at Rudy's Beer Garden. This is a private party, so come in through the side beer garden entrance (not the front door). Toss will be preparing some special delicacies for the event, hoping to score some big trade points with his A-Son comrades. As always, better halves are welcome. Let me know when you submit your lineup this week if you plan to attend so I can give Toss a head count. Trade deadline is Mon. night at midnight.
3. Are there any Steeler fans left out there? Is there a feeling of déjà vu dating back to the Bubby era? Browns fans feel the comfort of it. Kordell-to-Thierry slashed the Steeler's throats deeper than Couch-to-Johnson's quick incision. Browns fans have waited 4 years for the chance to gloat about a win over the Steelers. We didn't expect it would come this first year, at Three River of Tears Stadium, stopping a 3 game win streak, bewildering Cowher into listlessness, heavily deflating Steeler morale and significantly hampering their prospects of a playoff birth. We feel horrible.....that we have to wait til next year to add salt to the rusty wound!

COMMISSIONER'S NOTES:

1. Toss, Troy & Poop took over the Arctic division lead by devouring Saucy with high game of 53 points. Poop had 4 players in double digits and closed the gap on OPH for total points to under 20.
2. The Arctic looks to be the only interesting division winner race. Suffield has clinched the Tropic. Baha has clinched the Pacific. OPH's magic number is one - Mogadore has a dubious chance if they win out and the Vols lose out. Saucy has a good shot and Postal has an outside shot at Toss for the Arctic lead. Remember, the 4 division winners are the top 4 seeds in the Fantasy playoffs.
3. The Staggers, Jacks and Vols have clinched playoff births and Poop has essentially clinched unless they score extremely low the next 2 weeks. The Spikers, Predators, Maulers, Ballers, Leaders and Backers have the best chance at the last 4 Fantasy playoff spots. The Manglers, Murph and Violators are not mathematically eliminated, but need to win out while the right mix of the aforementioned teams fall out. This is the most exciting part of the season!
4. The *Swap til ya Drop* party was fun and productive for most owners. Ten trades were executed involving 10 different owners and 27 players. These trades will appear on next week's report. Baha was the most active wheeling and dealing for 5 trades in 2 hours. After the dust settled, Commish's Leaders cashed in for the Most Trades prize with 10 on the season, matching last year's record set by Postal. A big A-Son thanks to Toss for opening Rudy's to host this private party and allowing a free party for all on the beverages. Were those steak rollups great or what? Look forward to a great Super Bowl party at Rudy's.

COMMISSIONER'S NOTES:

1. Saucy scored 60 points in week #1 to ride the high game of the season until OPH stole it with 61 points in week #7. The Spikers reclaimed the season high game this week by racking up 66 points. Will it hold for one more week? Everyone will take their shot this 13th week, the last one of the regular season. Last year, 3 teams scored over 60 points in week #13 trying to take the season high game. Miklos' 75 point game held up against the late surge.
2. How about this week's transaction action? The transactions precipitated by the *Swap til ya Drop* party nearly paid for the fiesta! Brown St. Ballers were very aggressive and completely revamped their starting positional players. It paid off with a win this week and a win-you're-in shot at the Fantasy playoffs.
3. We are down to 3 teams fighting for the last 2 Fantasy playoff births. Suffield, OPH, Poop, Baha, Saucy and Ring are in. Next week's winner of Dawg vs. Mogadore will go. Brown St. will go if they win, bumping the loser of Dawg vs. Mogadore. All 3 of these teams made the Fantasy playoffs last year and are looking for another shot at A-Son immortality.
4. Included with this report is the playoff picture as of the end of week #12. Seedings and tiebreakers are based on 1) number of wins; 2) winning percentage; 3) total points; 4) head to head winner; 5) highest single game.
5. Next week pits 8 of the 9 potential Fantasy playoff teams against each other. The 4 division winners play each other for future playoff confidence or revenge motivation. Current Fantasy seed #5 plays #6 and seed #7 plays #8. This also means that the remaining teams will battle for position in the first round of the Toilet playoffs. Let's have a huge final week!
6. Remember to submit your lineup before the Thu. night game this week. For future reference, there is another Thu. night game week #14, Sat. games week #15 and a 3pm Fri. game week #16. Be sure to beat these starting lineup deadlines!

COMMISSIONER'S NOTES:

1. Kingos and Ricky (playoff seeds #13 and #14) competed for this week's high game, finishing finely with 50 and 48 points, respectively, to close the season with respectability. I'm sure Kingos has discussed with Ricky the agony of the King Putz days when the Crappership was merely points away. Obviously, both were ready to play this week and look to be focused on their playoff task at hand - avoiding the dumper!
2. It didn't take long Mon. night for Brown St's Tampa Bay defense to score the points needed to give the Ballers the 8th and final Fantasy playoff birth. This week's kicker and defense pickups proved to be the Brown St picks of the year. Congrats, Ballers.
3. Mogadore also struggled with their kicker and defense selections this week, but finally selected wisely as they combined for 27 points to lead the Maulers over the Backers in a pre-playoff playoff game. Congrats Mogadore on your 4th consecutive Fantasy playoff birth! The accomplishment was no easy task as this will be the first year Tasmania/Dawg has missed the Fantasy playoffs in the 6 years the A-Son league has graced the gridiron. Jamal will have something to prove next year and the Backers will likely be back!
4. Congrats also to Suffield, OPH, Toss, Baha, Ring and Saucy for the top 6 Fantasy playoff spots, and to all the other prize winners (so far):

COMMISSIONER'S NOTES:

1. Appropriately, our four division winners advance to the Fantasy semi-finals. Three of the four finalists are three of the four previous A-Son champions. OPH would like to add a new fifth member to the cherished A-Son Trophy.
2. The Warner for Bledsoe/Glenn trade worked to Suffield's favor as Kurt outscored the Pat duo to lead the reigning champs over the Ballers. It didn't hurt that 3 other Staggers also scored in double figures, who are again swaggering (not staggering) steadily toward the Fantasy Bowl.
3. It seemed like Brunell had more fumbles than completions Mon. night as he could not get Saucy the 2 points needed for a Spiker victory. Toss/Troy held on to edge Saucy 44-43. McNair stunk too, playing his 6th straight game without a TD pass, but got his 5th rushing TD in his last 6 games to outdo Brunell and get Poop the win. McNair has only 5 passing TDs on the season compared to 7 rushing TDs. Is this a QB that can win a Fantasy Championship?
4. As Cris Carter went down, Keyshawn Johnson stepped up, making 3 miraculous one-handed catches on his way to scoring 14 points and leading OPH to another week high. KJ will have to maintain excellence as the loss of Carter could be a double whammy to OPH this week as Toss, Troy & Moss have been waiting for this moment to arrive.
5. Baha chose RBs wisely as they made the difference in leading the Jacks over the Leaders. Ring worked all season to bolster the WR corps for the playoffs, but to no avail as the likes of J. Smith, T. Owens, T. Brown and T. Mathis were all blanked this past week. Did everyone see F. Taylor score Mon. night exactly at midnight? Commish looked at his watch and cried "too little, too late, 2 TDs to date!". Freddie's score did make Ring's 1999 season death a more peaceful passing.
6. Dawg and Postal each scored 40 points, each getting scoring from 7 of their 8 starters, and each lost their Toilet game! That smells.
7. Did anyone notice that 8 Browns produced AFFL points this week, from every starting position? Couch (10), Abdul (6), Kirby (6), Johnson (2), Chiaverini (6), Smith (6), Dawson (2) and Defense (1) combined to potentially score an AFFL team 39 points. Carmen Policy must be sending Commish a message that he wants to be part of the A-Son ring next year.
8. Remember there are Saturday games this week starting at 12:30pm. The Fabulous 4 and Troubled 4 need to submit their starters beforehand. Good luck!

COMMISSIONER'S NOTES FOR WEEK #15

COMMISSIONER'S NOTES:

1. Toss, Troy & Poop took no prisoners this week, scoring 74 points to smolder the Volcanoes 6th playoff shot at the big dance. Seven of eight players scored, with 4 players in double digits, including new phenom Marcus Robinson with 22 (who will be kept next year, R.M. or M.R.?). Even Rare Air McNair added a TD pass to his normal weekly TD run, obviously inspired by Commish's comments from last week. Ho-hum, Toss is in their 3rd A-Son Fantasy Bowl, second in a row. Congrats again, TT&P!
2. Baha jacked defending A-Son Champ Suffield, stumbling the Stagers stride to consecutive rings. The Jacks have gone thru 2 ex-champs during these playoffs to get to their 2nd A-Son Fantasy Bowl. Suffield sincerely extends their congratulations to Baha and wishes them well. Boy, things sure have changed in the past few years in the town down south.
3. The 1999 A-Son Fantasy Bowl features 2 ex-champs in Toss vs. Baha. Toss was our inaugural champ in 1994. Baha was our second champ in 1995. Also interesting, this matches our 1995 Champ vs. the 1995 Crapper. As their name signifies, Poop has not forgotten those dirty days down the dreaded drain, and still retains a name link back to Poop, Toss & Hurl (in Commish's view, the best A-Son team name to date). Since, Toss has replaced Hurl with Troy, who has helped roto-root the team back to championship caliber. Baha has had their problems over the past few years as this is their first Fantasy playoff appearance since their 1995 championship. On the upside, the Jacks have always won their first round Toilet playoff game. In fact, the Jacks have never lost an A-Son playoff game, where they are an astonishing 8-0 !! When the riding gets hot and fast, Baha comes ready to roll.
4. Kingos has found themselves sitting in their 2nd Toilet Bowl, although not yet a Crapper. The Hogs also find themselves in the Toilet for almost a 2nd time, barely missing last year's Bowl by winning in the Toilet semis 20-18. Commish has already been hearing some interesting ca-ca names bantered about. Let's hope the 1999 Crapper takes a lesson from Poop and comes up with a great name to fuel their efforts in rebounding into the Fantasy Bowl!
5. Bowlers...there is a Fri. game at 3pm. I will be home on Fri. during the day, but in and out. Submit your lineup on time!!!
6. An unsponsored (bring cash) AFFL gathering to add excitement to the A-Son Bowls will be held at Damons (Rt. 59 near 261) in Kent on Mon. night at 8:30pm. Come to celebrate another great year!

COMMISSIONER'S NOTES:

1. Toss, Troy & Poop simply steam-rolled the league down the stretch on their way to become our 1999 A-Son Fantasy Football Champion! In the last 7 weeks of the season, TT&P went 7-0, scoring 48, 53, 42, 37, 44, 74 & 57 points, an average of 51 per game! Poop left no doubt who was the best team when it counted most. Career Air McNair led Poop's Fantasy Bowl assault over the Baha Jacks with 5 TDs - against Jacksonville, no less, the NFL's best defense. Toss & Troy's many FFL years experience and savvy came shining through the second half of the season. Once they got on the same page, they worked the Poop well. Congratulations from all of the A-Son owners on an enviable 12-4 season and Fantasy Championship!
2. The Ball Hogs will be changing their name next year due to their new title of Toilet Crapper! Scoring 15, 26 and 14 points in the playoffs certainly lead to a stinking demise. Crapper names have already started swirling, such as Bowl Clogs, Butt Hogs and Brown Logs. Let the Hogs know your name suggestions throughout the off-season as incentive to raise their level of play next year. By the way, congrats Kingos on another Crapper escape!
3. The Ring Leaders inched out Best Draft over Poop by a defense. Luckily, Poop drafted with their heart and picked the Browns defense. This year's injuries and surprise studs led to low Best Draft scores (cumulative weeks #1-16 AFFL points for week #1 starters). Ring's 484 points this year would have placed 6th in last year's running. Commish racked up \$94 worth of transactions, so the extra \$25 prize is welcome with any score.

COMMISSIONER'S NOTES FOR WEEK #16

4. As everyone guessed, Kurt Warner is our Best Sleeper Drafted. For the second year in a row, Postal Predators are the proud owner. Last year, Postal drafted Peyton Manning, who edged out Randy Moss as the best sleeper. This year, Kurt Warner was a decisive winner over the runner-up. Can you guess who the runner-up sleeper was? I'm sure you all were correct in guessing Steve Beuerlein. Congratulations again to Postal on another wise, late draft pick.
5. Due to another highly active A-Son transaction wire this year, the *Secondary Super Bowl* party will again be held at Rudy's in conjunction with Rudy's annual NFL Super Bowl party, on Sun. 01/30/00. The league will buy each AFFL owner's ticket, which includes a front row Super Bowl TV seat, hors d'oeuvres, prime rib dinner and unlimited beverage. Better halves are welcome, but will need to purchase a \$25 ticket to attend. Side bets and "squares" boards will add to the festivity. Last year, Kristy won \$800 and Steve barely missed another \$400 on a \$20 "squares" board. We will toast our new Champion and drink champagne from the FanTossy trophy. Make plans to attend this final A-Son event of the season!
6. Your detailed kitty transaction sheet is included with this report. Prize winnings will be distributed at the *Secondary Super Bowl* party. These will be net winnings after transaction fees are deducted. For those of you that owe the league money (negative amounts shown below), please pay Commish before **Sat. 01/15/00** so that all winnings and league expenses can be paid. Here are the final net amounts:

<u>Team</u>	<u>winnings</u>	-	<u>transactions</u>	=	<u>net (wins or owes)</u>

7. Thanks to all of you members of the A-Son Ring for another terrific year. The league was very active and competitive throughout the year, as usual. All owners were respectful of Commish and family, which is greatly appreciated. Next year, we will hopefully incorporate more emailing of lineups and reports, which was tested successfully this year. This could be the reason you've been waiting for to obtain a PC! Have an enjoyable off-season - the Browns and A-Son will be back in August!
